

Visionary science for
life changing cures.

Information Technology Manager

AGTC is seeking a highly motivated individual who will be responsible for implementing and maintaining policies and goals that support the Company's needs. The Information Technology Manager ensures proper functioning of the information processing system and oversees necessary upgrades.

Reporting Relationship

- The Information Technology Manager will report directly to the Chief Financial Officer.

Essential Duties and Responsibilities

- Acts as primary liaison with external Information Technology Support firm.
- Determine the goals of Information Technology within broad outlines provided by the executive management and contribute to the continuity of computer services by providing necessary technical leadership and project coordination.
- Forecast costs, equipment and personnel needs for projects and programs as required and related to information systems.
- Stay abreast of the latest developments in information systems and remain highly technically competent while striving for enhanced user productivity through implementation of new software technology where applicable, and the implementation of policies that more effectively utilize information technology resources.
- Prepare long and short-range plans for application selection, systems development, and acquisition of the resources needed to support them.
- Assure responsiveness of long-range plans to corporate objectives.
- Helps business operations groups utilize information systems to improve their efficiency.
- Ensures computer equipment, hardware, and software are updated to meet organizational needs.

Qualifications

- A bachelor's degree in computer science or related field and five years of experience. Microsoft Certified Solutions Expert (MCSE) is preferred.
- Experience with ITSM and/or ITIL concepts and tools
- Be adaptable and able to meet deadlines on assignments, juggle multiple demands and to work with all types of individuals up to and including the CEO.

AGTC offers a competitive compensation commensurate with education and experience, including salary, benefits, and company equity. AGTC is an EOE and maintains a drug free workplace. Please send CV or resume to:
